

**1984** Hands Laid On Pastor Thompson By  
Bro. Kenneth Hagin Prophecy to Pastor/Bro.  
Hagin

Tongues:

"You see, there are ministers, of the gospel, God's used and blessed you, yet you've really not moved in the fullness of what God has for you; because you've allowed the enemy to bring a picture before you of things that happened in the past.

Some of your own mistakes and failures and even sins and wrong doings that hindered you from moving on in, to the full potential of the office that you stand in. But, I heard the Spirit of God say,

**"THE PAST IS GONE AND SHOULD BE FORGOTTEN!**

For in My mind, it does not exist, and the enemy can only bring a picture of it. A photograph of it, a photo of it before your mind."

But, you look at him and laugh, and say, "The Master has declared that all my sins are gone." For He said, "I, even I have blotted out thy transgressions and I will not remember thy iniquities."

So, put it aside and remember no more, and rise up and stand in the full potential of that office that I called you to. And as you take your stand in faith - the anointing will come upon you; the anointing will come upon you in a greater measure than it's ever been before, and you will go forth - to do that which your heart has desired, which was inside you all the time.

And the fullness of God's plan, purpose and will shall be accomplished. Hallelujah!  
Hallelujah! Hallelujah!"
