A Word From The President

Welcome to the Ever Increasing Word Training Center. I am excited about the Training Center! Several years ago, God placed a vision in my heart, and part of that vision was to open a Training Center for those men and women who are called into the Five-fold ministry and laymen who are ready to receive more of the knowledge of God. My desire is to send giants out into the land for the Lord, empowering them to live the glorious, victorious, powerful, Bible believing life that God intended for us to live.

This school is built upon the principles of the Word of God. I believe in a ministry of excellence. Since we expect excellence from God, we should also be willing to expect that same excellence from ourselves.

Your success in ministry will depend upon how well you Observe, Listen, and Learn. You must be willing to Change, Submit, and Commit yourself to the things of God. Here are some helpful tips to help you during your journey at EIWTC:

- Be willing to allow God to use men and women of God to do some of the molding and shaping in your life.
- Be willing to let God shape and mold you for something more than what you already know about.
- Be led by the Holy Spirit and not your personal feelings.
- Be willing to let God have His way with you.
- Be willing to let God prepare you for service.

If you are willing to do these things, you have the right attitude to begin this school semester.

I believe this is a basic training center for men and women of God who want to prove out as faithful servants of God. To get the most out of this school, you must commit yourself to discipline, correction, and instruction. Excellence in ministry... Whatever price it takes, pay it. The dividends are out of this world!

Have a great year! Together, let's determine to press into the things of God and get the most out of every learning experience that is presented.

President, EIWTC

ACADEMIC INFORMATION

GRADING SCALE

90-100 = A

80-89 = B

70 - 79 = C

60 - 69 = D

Below 60 = F

Grading is based on the examination scores earned by students.

A grade of 70 or above is required in ALL classes for student promotion.

Report Cards: Student grades are posted on their classroom portal. At the end of each year, a printed copy of your grades will also be mailed to you.

The grades you receive will be proportionate to the interest and attention you give to your classes and assignments. You will be able to press forward satisfactorily with no problem, as long as you commit to your coursework and follow the instructions given by administration and your instructors.

CERTIFICATES OF COMPLETION

Will be given to all First Year Students at the end of the school year for successfully meeting the following requirements:

1. A "C" Cumulative Grade Point Average maintained in ALL classes
2. Class Attendance Requirements As Outlined In This Handbook
3. Every student must give evidence of true Christian life & character during the school year at EIWTC.

DIPLOMAS

Will be given to all Second Year Students at the end of the school year for successfully meeting the following requirements:

1. A "C" Cumulative Grade Point Average maintained in ALL classes
2. Class Attendance Requirements As Outlined In This Handbook
3. Every student must give evidence of true Christian life & character during the school year at EIWTC.
4. Attendance at graduation rehearsal & commencement is required. Permission to graduate in absentia may be granted for those in other states.

STUDENT POLICIES

All Training Center rules apply to both first and second-year students. It is anticipated that second-year students will conduct themselves in a manner that will be an example to the first-year students.

CONDUCT

The establishment of worthy standards of life is necessary for every believer. Thus, Christian character is a vital concern of this Training Center. We believe it is the responsibility of the student engaged in training to live an exemplary life. It is expected that students will avoid practices and forms of entertainment which will be detrimental to personal growth in the Christian life.

CHEATING

Every person who enrolls in this school should understand that to submit work which is not his/her own violates the purpose of this School of Ministry and the individual's purpose in being here. If an instructor suspects that a student has copied, the work will not be accepted. Any form of cheating will subject the student to an "F" in the course and possible dismissal from school.

ATTENDANCE POLICY

Attendance is required in all classes and will be tracked by your quizzes. Each student should expect to spend a minimum of 6 hours of time each week to view their classes and do the quizzes following online. There may be other reading assignments given.

Absences

Students have the flexibility to view classes. It works best to use the schedule provided to keep track. You will take 3 classes on Mondays and 3 classes on Wednesdays. These classes will appear in the portal that day at 6pm CST. From the time they are posted, there is a 7 day period for the student to finish their work for each class.

Any student who fails to accomplish their online quiz for 3 or more days in any particular class, without an excused absence will be required to schedule a meeting with the Dean for a review of the absences along with possible disciplinary action.

Excused absences are absences that result from extreme circumstances (i.e., illness under doctor's care, death in the immediate family, etc.)

Due to the flexibility that the school provides, EIWTC expects all students to complete all their quizzes/work for all classes within the given 7 day period.

Exceptions include any extreme circumstances that prohibits you from watching, including: out-of-the country travel with limited internet use or sickness/illness that requires you to be out for 7 days. Proper documentation must be provided and acceptance is at the discretion of administration. Issues due to computer problems are not valid excuses—please make all efforts to complete course-work.

QUIZZES:

STUDENT ATTENDANCE IS TRACKED BY YOUR QUIZZES

Each student **MUST** complete the online quiz for each class to receive attendance credit for that particular class. Quizzes do not affect your final grade. However, attendance credit can affect whether you pass or fail the course.

Quizzes have unlimited time limits and may be attempted once, with two chances to successfully answer each question. Students are encouraged to open the quiz to view the questions while watching the class. MP3 downloads of the class are also available.

EXAMS:

3 exams will be given each semester to determine your grade for the course. The penalty for missing any of your exams without an excused absence is the loss of a full letter grade. If you miss the make-up period, a score of "0" will be recorded for that exam.

Exam formats may differ from instructor to instructor. Most exams will have time limits to complete the work. Make sure that you clear your schedule for the time that will be needed to take your exam. You must complete your exam and submit your answers within the given time limit to receive credit for your answers.

Once you open your exam, your time limit begins—absolutely NO EXCEPTIONS! ADMINISTRATION CAN SEE WHEN EACH STUDENT HAS OPENED THE EXAM .

While enrolled in Ever Increasing Word Training Center, you will be expected to have a medium to high level of computer literacy. You will be responsible for watching all tutorial videos/sample class available to learn how to be familiar with the system.
