

## The “Commander” of The Morning Prayer

Father God, in the Name of Jesus, We rise early to declare Your Lordship! We get under the covering and anointing of the early riser. We come in agreement with the heavens to declare Your glory. Lord, release the mysteries unto us to bring heaven down to earth. The stars (chief angels) are battling on our behalf ahead of time.

Our appointed times have been set by God in the heavens. We declare spermatic words that will make contact with the womb of the morning and make her pregnant. At sunrise the dawn will give birth to the will of God, and light will shine on wickedness to shake it from the heavens. At twilight my enemies will flee, and newly found spoils will await me at my destination. Our destiny is inevitable!

O God, let our prayers meet You this morning. We command the morning to open its ears unto me and hear our cry. Let conception take place so that prayer will rain down and be dispatched upon the earth to do Your will.

We command the earth to get in place to receive heavenly instructions on our behalf. My lands are subdued. We command all the elements of creation to take heed and obey.

As our praise resounds and the day breaks, the earth shall yield her increase unto me. We declare that the first light has come!

The first fruit of our morning is holy, and the entire day will be holy. We prophesy the will of God to the morning so that the dayspring will know its place in our days. The Lines (our portion) are fallen on our behalf in pleasant (sweet, agreeable) places, and We have a secure heritage.

We are strategically lined up with the ladder that touches the third heaven and sits on earth. The angels are descending and ascending according to the words that we speak. What we bind or loose on earth is already bound or loosed in heaven.

Revelation, healing, deliverance, salvation, peace, joy, relationships, finances, and resources that have been demonically blocked are being loosed unto us now! What is being released unto us is transferring to every person that we associate ourselves with. We are contagiously blessed!

As we command the morning and capture the day, time is being redeemed. The people of God have taken authority over the fourth watch of the day.

The spiritual airways and highways are being hijacked for Jesus. The atmosphere of the airways over us, our family, our church, our community, our cities, our state, our nation, and the world is producing a new climate. This new climate is constructing a godly stronghold in times of trouble. The thinking of people will be conducive to the agenda of the Kingdom of Heaven.

Every demonic agenda or evil thought pattern designed against the agenda of the Kingdom of Heaven, is destroyed at the root of conception, in Jesus' Name! We come into agreement with the saints as we have suffered violence, we take by force! No longer will we accept anything demonic that is dealt unto us in our days. We declare that the Kingdom has come, and the will of God will be done on earth as it in Heaven. As the sun rises today, let it shine favorably upon the people and the purposes of God.

Daily destiny is our portion because we have no thought for tomorrow. We are riding on the wings of the morning into a new day of victory. God, You separated the night and the day to declare our days, years, and seasons. We are the light of the earth, and we have been separated from darkness. This light declares our destiny! AMEN
